Dear Sir or Madam:

This will acknowledge receipt of your FOIA request NAVSPECWARCOM number 13-085N, requesting information concerning contract N0001512P0073.

As you know, companies that or people who seek information for a use or purpose that furthers commercial, trade, or profit interests, including for use in litigation are required to pay for search, review and duplication costs. From past experience handling similar contract FOIAs, recoverable fee and cost estimate would more realistically be \$150.00 based on a similar situated commercial requester including past FOIA Group requests.

In order to expedite this request as much as possible, do you agree to the notification level being \$150.00? If not I will have no choice but to send the research request with severe restrictions that will stop and/or significantly delay the process pending your further authorizations.

Let me know.

Eric
